# Marmosol

Technical data sheet  
n° 221 Rev. 16/02/2018

## Category:

- Strong cleaner for marble and other natural stone floors

## Advantages:

- Very powerful
- For floors and other surfaces

Product for professional use. The manufacturer declines all responsibility for any damage caused by an improper use of the product.

## Strong marble cleaner Eliminate old treatments and stubborn dirt

### Applications

Marmosol is an energetic cleaner able to effectively remove old waxy treatments and stubborn and resistant dirt from marble, granite and natural stones.

Marmosol quickly eliminates even greasy or oily dirt, and can be used on any type of coating, even with a shiny or polished finish.

### Fields of application

- Communities
- Hotel sector
- Restaurants
- Domestic use
- Offices
- Craft and small industry

### Method of Use

Apply copiously on the surface to be cleaned. Leave for a few minutes and pass over with a cloth, then rinse several times with plenty of lukewarm water. Wait for drying and if necessary repeat the intervention where necessary.

**Yield:** Marmosol has a yield of 12/15 m<sup>2</sup> per litre when used pure, and about 40/50 m<sup>2</sup>, if diluted.

**Dilutions:** For particularly stubborn dirt (oil stains, grease) use the product as it is. For less deep dirt, it is possible to mix a part of Marmosol with 3 or 4 parts of water.
