Special cleaner for glass, crystal and hard surfaces

Applications

Splendi Vetro (Glass Shine) is an innovative cleaner for glass in general including external ones, mirrors, chandeliers, crystals, windows, car windshields and also for the cleaning of other hard surfaces, on which it operates in complete safety.

It effectively removes fingerprints, streaks, smog marks, dust, insects, soot and raindrops.

Splendi Vetro quickly evaporates to leave the surface clean and free of halos in an instant and without needing to rinse.

Also suitable for transparent plastic surfaces of scooters, motorcycles, caravans, boats.

Pleasantly scented with wisteria.

Field of application

- Household
- Car cleaning
- Restaurants
- Communities
- Offices
- · Craft and small industries

Method of Use

Turn the spray nozzle to the ON position.

Spray the product on the surface to be cleaned and wipe with a clean cloth, possibly made of cotton, making rapid circular movements.

The surfaces will be perfectly clean and free of unsightly halos. For small surfaces, spray the product on a cloth and proceed with the cleaning.

Product for professional use. The manufacturer declines all responsibility for any damage caused by an improper use of the product.
