

# MARMOCLEAN

Technical data sheet n° 219 Rev. 24/03/2014

Neutral marble cleaner

## APPLICATIONS:

Marmoclean is a neutral and delicate detergent, specific for all marble surfaces, which effectively cleans and gives shine and brilliance without having to use polishing machines or specific cloths (wool or microfiber).

Marmoclean moreover tends to smooth the scratches on the freshly waxed surfaces, removing opacity and halos and leaving a pleasant clean scent.

Marmoclean is suitable for all environments where marble is used as a surfacing material.

## METHOD OF USE:

Add 50 ml of Marmoclean (a small coffee cup) in a bucket with two litres of water and wash the surface with the obtained solution.

If diluted as recommended, it is not necessary to rinse

## CATEGORY:

- Cleaner for marble and natural stone

## ADVANTAGES:

- Neutral
- No need to rinse
- No foam
